

Harris Reserve upgrade works

We want your feedback on proposed upgrade works at Harris Reserve, Seddon as part of Council's 2019-20 Capital Works Program.

The works include:

- replacing existing fencing
- refurbishing paths
- upgrading some of the play equipment

The works include a proposal to expand on the existing central play area to include natural play elements, new equipment and preserving existing seating areas.

Works would occur in early 2020, outside of school holidays.

We want your feedback on the proposed expansion, see overleaf.

Submit your feedback online at www.yourcityyourvoice.com.au or visit our listening post at the Seddon Makers Market, Harris Reserve on Saturday 16 November from 9am.

Feedback is due by 2 December 2019

For more information about this project please call City Places on 9688 0200 or email cd@maribyrnong.vic.gov.au
