

# Have your say Robert Barrett Reserve

Have your say on the vision for Robert Barrett Reserve in order for it to meet the needs of our growing community over the next twenty years. Future changes and investment in the Reserve will consider landscape improvements with increased tree planting, community facilities and upgraded pedestrian, cycling and public transport links.

Your feedback will be used to develop the vision and provide the basis for a draft masterplan that will be consulted with the public in the future.

Provide your feedback at [www.yourcityyourvoice.com.au](http://www.yourcityyourvoice.com.au)  
The community survey will be open until July 27th, 2020.
