

Our strategic objectives

To support children, young people and their families to have the material basics they need, Council will strive to:

- | | | | |
|-----|---|------|---|
| 2.1 | provide social and physical infrastructure required to ensure the material needs of children, young people and their families are met as our population grows and becomes more diverse | 2.7 | work with our community to explore innovative approaches aimed at increasing children, young people and their families' access to healthy food |
| 2.2 | advocate for accessible public transport | 2.8 | work with our community to understand and identify opportunities to address the needs of families with children and young people experiencing financial vulnerability |
| 2.3 | provide safe, accessible and well maintained pedestrian and cycling pathways | 2.9 | continue to provide children, young people and their families with opportunities to engage in life-long learning |
| 2.4 | advocate to both State and Federal Government to ensure the affordable housing needs of our families and young people are met | 2.10 | continue to plan and invest in early years infrastructure that meets the needs of the community |
| 2.5 | provide Council planning processes that address and protect the need for appropriate and affordable housing and adequate access to public transport for families and young people living independently in Maribyrnong | 2.11 | continue to commit to maintain and build infrastructure in local neighbourhoods for families and young people |
| 2.6 | undertake economic development initiatives that stimulate local training and employment opportunities, with a focus on young people, newly arrived residents and women | | |
